PHIL SPENCE

ABOUT

Motobeemer, aka Phil Spence, is a charismatic and authentic online presence, recently serving as a spokesperson for the BMW Motorcycle Owners of America and earning an exclusive feature on Web bikeworld.com. As a lifelong motorcycle enthusiast with experience riding across multiple continents, Phil seamlessly combines his passion for two wheels with video production skills. His ability to shoot, produce, and edit high-quality content for diverse platforms sets him apart in the industry.

Phil's work is consistently in demand, whether he's testing and showcasing cutting-edge motorcycle products, creating dynamic promotional videos, shooting new rider content with Mary his Fiance or hosting long-form video podcasts that give business owners and fellow enthusiasts a platform to share their stories. His genuine enthusiasm and professional craftsmanship make him a trusted voice in the motorcycle community
